## Why Share Your Gifts

**Spiritual Growth:** Volunteering provides a unique opportunity for individuals to experience significant spiritual growth. **Living Out Beliefs:** By actively participating in church activities, volunteers live out their beliefs. They put their faith into action by serving others, demonstrating compassion, and embodying the teachings of Jesus. **Closer Relationship with God:** Volunteering allows individuals to draw closer to God. Through acts of service, volunteers experience His presence, guidance, and love. The more they serve, the more they recognize God's hand at work in their lives.

**Community and Connection:** Serving alongside fellow volunteers creates a sense of community and connection. Volunteers build meaningful relationships with others who share their faith and values. **Contributing to Spiritual Vitality:** The collective efforts of volunteers contribute to the spiritual vitality of the church. Their service impacts worship, outreach, discipleship, and fellowship. Without volunteers, many essential ministries would not thrive. In summary, volunteering at church is not only about giving time; it's about growing spiritually, living out faith, and building a stronger church community.

## Who remembers Dancing with the May Pole back in the day?

The maypole originated in the 1400's It is a tall wooden pole erected as a part of various European folk festivals, around which a maypole dance often takes place. The festivals may occur on 1 May or Pentecost (Wsun), lthough in some countries it is instead erected at Midsummer (20–26 June).
